Organic seed for organic production 🌱

This week we attend Open Days in the Netherlands to strengthen cooperation with international actors and discuss possible measures that can promote the use of organic seed.

Thanks to [De Bolster Organic Seeds](#), [Vitalis](#), [Rijk Zwaan](#), [Seedcom](#), [Bejo](#), [BioNext](#) and [SAKATA Vegetables Europe S.A.S.](#) for inspiring meetings, exchange of knowledge and expertise, and for some fantastic tours in the vegetable demo fields.
