Organic milk production in Nordic countries – seminar

8th annual network meeting in Denmark, 5th – 6th of September 2023

Are you working as an advisor within organic milk production in a Nordic country?

This year Denmark is hosting the 8th annual network meeting. The topic is new solutions for organic milk production where we will visit local farms working with agroforestry and cow-calf solutions. Further we will gain knowledge about biorefinery and grass pulp as feed for cattle.

Location

The location for the seminar will be at the hotel Skarrildhus:

[Skarrildhus | Prøv et naturligt ophold og møde | SINATUR](#)

The address is Sdr. Ommevej 4, Skarrild, 6933 Kibæk, Herning

Wednesday's program will take place at ØkologiRådgivning Danmark which is near Billund airport.

The address is Majsmarken 1, 7190 Billund.

Getting there

Flights to Denmark, Billund, from Finland, Norway, Sweden, Latvia, and Iceland at least three times during the day. Taxi from Billund to Skarrildhus: Approximately 750 kr. (101 €). Taxi from ØkologiRådgivning

Danmark to Billund airport: Approximately 120 kr. (16 €)

Price and registration

No later than the 27th of July 2023. Be aware that from the 27th of July 2023 your registration is binding, and payment is non-refundable.

Hotel

Single room incl. breakfast

1 night: 898 kr. (121 €)

2 nights: 1796 kr. (241 €)

Some of the single rooms can host two persons (please ask in advance).

It is possible to order double rooms as well.

Be aware, that you pay for the hotel stay directly to the hotel at arrival

For attending

The price for attending the seminar itself is 1600 kr./pers/day (215 €), with a total price of 3200 kr./pers (430 €) for both seminar days.

NB: Transport to- and from the airport as well as dinner if arriving Monday will be at your own cost.

The hotel serve dinner until 20.30 Monday evening but would like you to book in advance.
